

München, March 2025

Letter of Recommendation for Nurmuxammadov Jamshidbek

To whom it may concern:

It is my great pleasure to write this letter of recommendation on behalf of **Nurmuxammadov Jamshidbek**.

I have known **Nurmuxammadov Jamshidbek** since March 2025, when I gave a guest lecture at New Uzbekistan University. During the lecture, **Nurmuxammadov Jamshidbek** was among the most active participants and stood out in terms of the quality of his contributions to class discussions. I have also been told that **Nurmuxammadov Jamshidbek's** overall track record at New Uzbekistan University is absolutely stellar.

Apart from **Nurmuxammadov Jamshidbek's** professional and academic caliber, he is an extremely pleasant person to teach and work with. His great intellect is accompanied by modesty, maturity, and reliability. He cooperated with all students in my lecture in a way that is characterized by decency and mutual respect. I have never seen **Nurmuxammadov Jamshidbek** losing his calmness in any situation. I further recognized that he is an excellent networker and is able to communicate with and adapt to people with many different backgrounds. Overall, also considering **Nurmuxammadov Jamshidbek's** many extracurricular activities, his social skills are truly outstanding.

Nurmuxammadov Jamshidbek is eager to learn, but equally willing to share his experience with a group of other excellent students. He is determined to make important contributions to the field of management and economics. My assessment is based on several years of experience in teaching finance at undergraduate, graduate and doctoral level at UCLA, Goethe University Frankfurt, and Technical University of Munich, including MBA and Executive MBA students. Given this track record, I do not hesitate to rank him at the very top of New Uzbekistan University's graduating cohort and strongly recommend **Nurmuxammadov Jamshidbek** without any reservations.

Please do not hesitate to contact me for further questions.

With best regards from Munich,

Prof. Dr. Dr. Paul P. Momtaz
